

FISCAL NOTE

HB 1127 - SB 1592

January 13, 2004

SUMMARY OF BILL: Requires persons applying for a commercial aerial applicator license to obtain certification in the category of pesticides such persons intends to apply or to provide sufficient evidence of an equivalent certification from a state with which Tennessee has a current and official reciprocal agreement.

ESTIMATED FISCAL IMPACT:

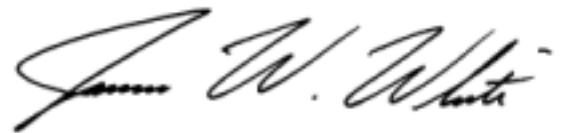

Increase State Expenditures - Not Significant

Increase State Revenues - Not Significant

Estimate assumes some additional certifications will occur with the expenditures related to such certifications and fees required of the applicants.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in cursive script, reading "James W. White".
